

5-Color Message Signs

Fully Customizable Graphic and Text Messages

- Five-color full-matrix display
- Create custom messages with Wanco software
- Combine colored text and graphics
- Touchscreen controller with intuitive interface
- High-security battery box
- Maintenance-free batteries

With a full matrix of color LED pixels, Wanco® 5-Color Message Signs let you create messages like you never could before.

Using Wanco computer software, you can create and combine graphic images with text to make bright, colorful messages that stand out. Design your own symbols and import your corporate logo. Add text, make multiple message screens and even create simple animations.

To see or order the Wanco 5-Color Message Signs, call **800.972.0755** or visit **wanco.com**.
