- Contact factory for optional GPS tracker and modem

**In-Cabinet Controller**

- Capacitive touch screen controller
- Easiest programming in the industry
- Intuitive interface with larger buttons
- Multi-level password protection

# Versatile, easy to install kit for any application.

Wanco Message Sign replacement/conversion kits are the ideal choice when you need to upgrade/restore your old fleet with the latest production model. Full-size signs provide versatility and great performance.

Full-matrix signs provide the greatest flexibility for displaying any type of message—large or small letters, symbols, graphics. Graphics and text can be combined in the same message.

Three-line message signs are capable of displaying three rows of alphanumeric characters. The ultra-bright, highly legible LEDs display your message clearly.

Changing the message is simple, as Wanco signs feature the easiest programming in the industry. The in-cabinet controller has a 7-inch LCD capacitive touch screen.

**Meets NEMA TS 4-2005 Section 2 for ambient temperature, vibration, shock, electro-static discharge (ESD), and radio interference. NTCIP compliant.**

- Kit includes:
- Message sign board, controller
- Hydraulic pump switch housing
- Hydraulic pump switch, 4ft wire
- Mounting hardware
- 2ft solar panel wires
- 10ft battery box wire

Hydraulic switch housing  
To be mounted on the battery box, left side if Wanco box is used
