

# Solar Integrator Trailer

Portable Mast Trailer Designed for Security Integrators

- Add your own electronics
- Built-in power system
- Environmentally friendly

The Wanco® Solar Integrator Trailer provides a robust, dependable platform for you to install your own gear for keeping your job site secure. Combine equipment as needed—cameras, lights, communications, audio systems, RF radios and others—anything your portable application requires. The battery-powered system with solar charging is designed to provide maximum run times.
