Wanco Inc. Receives Certification to ISO 9001:2015

Wanco Marks Another Continuous Improvement Milestone

ARVADA, CO August 5, 2025 – Wanco Inc., the industry leader in portable traffic safety products, is pleased to share the following announcement from Performance Review Institute (PRI):

Performance Review Institute (PRI) Certification recognizes Wanco Inc. for having met the stringent requirements of the ISO 9001:2015 international standard, their ongoing commitment to satisfying stakeholders, and their dedication to continual improvement of their management system.

Matthew Wanasz, Wanco President and COO, shared that “Achieving ISO 9001:2015 certification marks another significant milestone in our company’s history, underscoring our longstanding commitment to continuous improvement, innovation, and most importantly, customer satisfaction. We would like to take this opportunity to recognize the outstanding efforts of our entire Wanco team and their daily dedication to creating and delivering the highest quality portable safety products, solutions, and services to our valued customers.”

“Wanco Inc. has demonstrated its commitment to world class quality management by implementing and becoming certified to the ISO 9001:2015 standard. They have joined an elite number of organizations worldwide who have achieved certification to this globally recognized standard,” said Ed Maschmeier, Vice President of PRI Certification. “PRI Certification is proud to partner with Wanco Inc. in this accomplishment and looks forward to continued support of their objective of quality excellence.”

About PRI Certification

PRI Certification is a not-for-profit organization specializing in third-party management system certification services. In 2024, the organization rebranded after acquiring SRI Quality System Registrar, MCNA, and Platinum Registrar, combining over 60 years of expertise. This merger strengthens its

leadership in certification, addressing evolving needs in Quality, Data Security, Environmental, and Health & Safety standards.

The Performance Review Institute (PRI) is a not-for-profit trade association started in 1990. PRI is a global administrator of industry-managed critical process accreditation programs focused on improving process and quality with collaboration among stakeholders in industries where safety and quality are shared goals. To learn more information, visit www.p-r-i.org or contact PRI Certification at certification@p-r-i.org today.

About Wanco Inc.

Since 1984, Wanco has been designing, engineering, and manufacturing high-quality and easy-to-use portable safety equipment and accessories for industries such as traffic management, public safety and law enforcement, construction, energy and mining, security and surveillance, and many others.
