

# Mini Solar Surveillance System

Portable Reliable 24/7 Video Surveillance

- **Secure job sites**
- **Deter theft**
- **Promote safety**

The Wanco® Mini Solar Surveillance System is an all-in-one portable video solution, manufactured in America to be rugged and dependable.

The system comes equipped with a feature rich camera system—one pan-tilt-zoom infrared camera with configurable recording (a second camera is optional)—and can be deployed by a single person in less than 10 minutes.

Instantly add security and safety to virtually any location with the Wanco Mini Solar Surveillance System.

**WCTS-Mini**
